

## Meet brightwheel, a window into your child's day

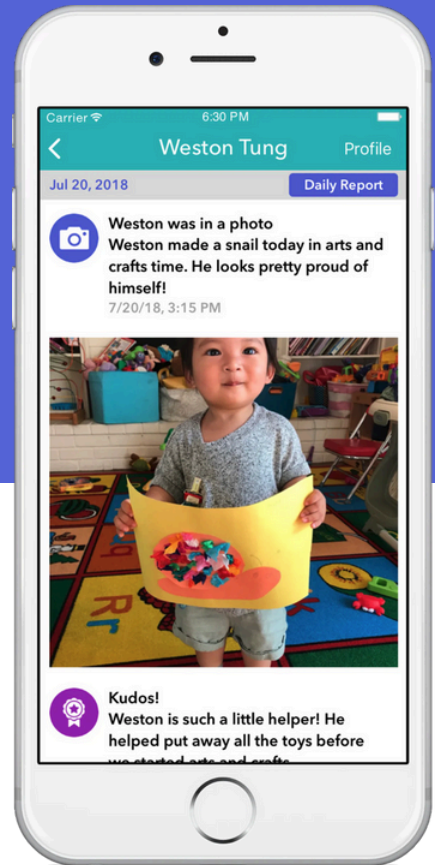

Our center has partnered with brightwheel, the leading early education technology, to help us deliver an enriching childcare experience to our students and families!

### Why Brightwheel?

- ✓ **Daily updates:** Parents receive a real-time feed of all activities throughout the day. Activities include: photos, naptimes, meals/bottles, diaper changes/potty times, accidents & injury reports, medications, notes, and more!
- ✓ **Billing:** Easily set up online tuition payments. You can also enable autopay to ensure your tuition is always paid on time.
- ✓ **Messaging:** Leave and receive notes for/from your child's teacher(s) to keep up-to-date on important information!
- ✓ **Update Information:** Update your child's information directly from your mobile device or computer. Update your contact information, authorized pick-ups, and more!
- ✓ **Digital Check-In & Out:** Easily sign your child in/out of the center using the Quick Scan code.

### How Do I sign Up?

Go to google play or app store and download the free Brightwheel app. You will receive an invite from your school via email or text. Follow the instructions in the invite to register with Brightwheel!

"My son just started daycare and I was so nervous, but being able to see the pictures and different notes about him from the teacher and being able to message them back gives me peace of mind. I love it!"
